

CITATION SOVEREIGN+

Cessna

BY TEXTRON AVIATION

REDRAW YOUR RANGE MAP

Range-enhancing winglets combined with powerful engines allow the CESSNA CITATION SOVEREIGN+ aircraft to land on smaller runways and at airports surrounded by obstacles. This reduces travel time and grants access to popular destinations such as Aspen, Hilton Head and Ocean Reef. The sizable cabin makes every business trip a pleasure.

Maximum Range
3,200 nm

Maximum Cruise Speed
460 ktas

Maximum Passengers
12

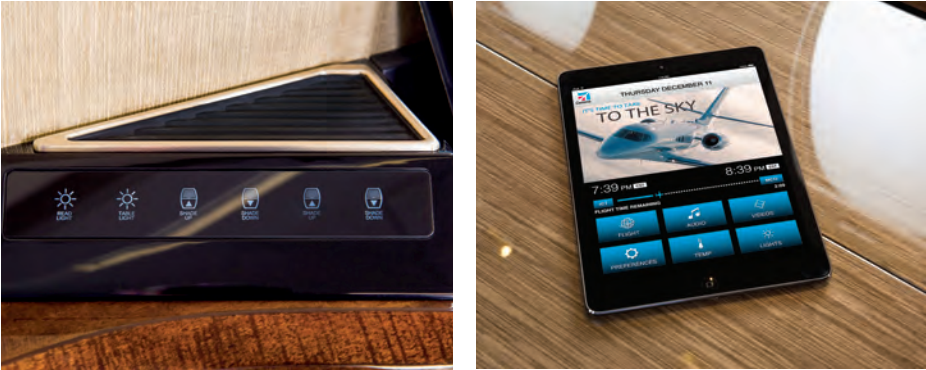

Useful Payload
12,794 lb

Takeoff Distance
3,530 ft

WORK IN COMFORT, STAY CONNECTED

The double-club seating features large, comfortable leather seats with forward and aft tracking, swivel bases and reclining positions for maximum comfort. Productivity doesn't stop with standard domestic internet and four executive tables which provide generous work space for each passenger.

CONNECTIVITY AND CONTROL

Stay connected and be productive with the state-of-the-art cabin management system and domestic internet*. Wireless cabin management comes standard and allows access to digital media, individual interactive moving maps and satellite radio*, giving passengers complete control from their personal mobile devices.

*Satellite radio and internet require subscriptions.

STEP IN AND MAKE IT YOUR OWN

ROOM FOR EVERYTHING YOU BRING ABOARD

The forward galley provides ample supply cabinets, cold storage and a well-lit counter for food preparation.

ENHANCED DECK FOR INTUITIVE OPERATION

The redesigned flight deck offers the ultimate command center for pilots. Powered by *Garmin G5000* avionics, the cockpit is bright, modern and all-glass, offering unsurpassed situational awareness. Features include *Garmin* Synthetic Vision Technology (SVT), detailed moving map imagery*, electronic charts*, traffic surveillance (TCAS II Change 7.1), terrain awareness (Class-A TAWS) and intuitive touch-screen controls. An integrated, work-saving autothrottle frees the hands of busy pilots.

*Subscription required.

GARMIN G5000: THE HEART OF A REVOLUTIONARY SYSTEM

- Fully integrated autothrottles
- *Garmin* SVT
- Touch-screen control panels
- Flight management systems (FMS)
- Transponders with ADS-B Out capability
- Optional flight data recorder (ICAO Type IA)
